► Pathways to Your Benefits

Each day we confront challenges, make decisions, and choose particular pathways to follow. Those pathways may be familiar or they could offer exciting new opportunities. To help you create a successful future for you and your family, the County is proud to provide you with a healthcare medical program — Pathways to Your Benefits.

We know that your benefits are important to you and your whole family. We also know that you need tools and resources to help you take advantage of all your coverage has to offer. This Enrollment Guide is designed to help you take the first steps down the pathways to your benefits — understanding and choosing your benefits for the coming year. Inside you'll find details about your eligibility, enrollment instructions, and an outline of your medical and other benefits, as well as tips on where you can find additional information. Take some time to read through this guide carefully and share it with your family. Then you'll be ready to make the decisions that are right for you and your family.

Time to Enroll

If you are a new hire, newly promoted, or newly transferred into an Eligibility Worker position, you are invited to attend a New Hire Orientation. New Hire Orientations are held on the first Monday of each month. Orientation is located in the Hall of Administration, room 214/216 at 9:00 am. You may visit the Employee Benefits Web Site at www.ocgov.com/hr/employeebenefits for more information.

The annual Open Enrollment period is generally during the month of November. This is your only opportunity to make changes to your benefits unless you have a Qualified Life Event, (QLE). You will receive information on specific Open Enrollment dates and deadlines when the time comes.

We encourage you to enroll well before the enrollment deadline so that you're not left "waiting in line" to speak with a Benefits Specialist at the last minute.

The benefits you elect during Open Enrollment are effective January 1 of the following year.

Remember, all you have to do to enroll is click or call — log on to the Benefits Center Web Site or call the Benefits Resource Line and speak to a Benefits Specialist.

► If You've Got Questions, We've Got Answers

If you have questions about enrollment, you can visit the Benefits Center Web Site at www.benefitsweb.com/countyoforange.html or call the Benefits Resource Line toll-free at 1-866-325-2345 and follow the instructions to speak with a Benefits Specialist. Benefits Specialists are available Monday through Friday, 7:30 a.m. to 5:30 p.m. Pacific Time, except for holidays. If you need assistance in another language or are hearing impaired, Benefits Specialists can connect you with a translation service or TDD at no cost to you.

What to Do Now

- Read this Enrollment Guide carefully to understand how your benefit package works.
- Review the materials in your enrollment package, including:
 - **Benefits Enrollment Summary** — This summary contains information about the benefits available to you and a list of your contribution amounts. It also shows your automatic benefit coverage if no elections are made.
 - **Open Enrollment Meeting Schedule** — To help explain your Open Enrollment options, we setup a series of meetings in November. Find a date, time, and location that is convenient for you. Your attendance is strongly recommended.
 - **Wallet Card** — This card includes important phone numbers, Web Sites and basic instructions on how to use the Benefits Center Web Site and Benefits Resource Line.
- Enroll for your benefits before the enrollment deadline.

If You're a Current Employee

If the automatic coverage and dependents shown in your Benefits Enrollment Summary are what you want for the coming year, and you don't want to participate in a reimbursement account, you do not need to enroll. However, **you must enroll if you want to:**

- Add or drop dependents
- Change your coverage
- Participate in a Dependent Care Reimbursement account in the coming year.

You will be enrolled in the automatic coverage shown in your Benefits Enrollment Summary if you do not make any changes before the enrollment deadline. Review the summary, including the dependent coverage section, within the enrollment period as no changes can be made after the deadline.

When you receive your Benefits Confirmation Statement, review it promptly — you must report any errors to the elections you made within 10 business days from the date on the statement.

Keep in mind that after the Enrollment period you can't change your benefit elections during the year unless you have a Qualified Life Event. See Making Changes to Your Benefits later in this guide for more information.

If You're a New Employee

If you're a new employee of the County, **you have 30 days from the date on your enrollment package** to enroll in your benefits for the first time. After this period, you won't be allowed to make changes to your benefit elections until the next Open Enrollment unless you have a Qualified Life Event. See "Making Changes to Your Benefits" later in this guide for more information.

Important: If you don't enroll in a County health plan within the 30-day enrollment period, a full-time employee will be enrolled in Premier Wellwise health plan with employee-only coverage. If you are a part-time employee you will be enrolled in the Premier Sharewell health plan with employee-only coverage.

If You Change Your Home Address

If you change your home address, you must contact your human resources and/or payroll department. It's important that the Benefits Center has your correct home address so that it can send you important information about your benefits.

If You Move Out of Area

If you're enrolled in an HMO plan and move outside your plan's network, you must enroll in another HMO, if one is available in your area, or in one of the PPO plans. If you do not enroll, you'll be automatically enrolled in the Premier Wellwise health plan, if you are full-time or Premier Sharewell if you are a part-time.

Leave of Absence or Go Off Payroll

When you go off payroll, you must pay the full cost of your health insurance if you want to continue coverage. The full cost includes both the County and the employee portions of the premium. You will be sent a leave of absence package detailing your options. All leave of absence billing is done on a monthly basis.

If you terminate your health plan while off payroll, you may re-enroll in an eligible health plan of your choice when you return to work by calling the Benefits Resource Line. Your health insurance will be effective on the first day of the month following 30 days from the date you return to work. For the PPO health plans, the pre-existing condition clause and new deductibles will apply. If you terminate your coverage, do not return to work, and subsequently take active retirement, you cannot re-enroll in health insurance. This lapse in coverage also makes you ineligible for COBRA coverage.

You may choose to terminate coverage for your dependents while you are off payroll. Upon return to work you may enroll dependents by responding prior to the deadline given. Note: if you are enrolled in a PPO health plan and experience lapse in coverage, preexisting conditions may apply.

The Federal Family and Medical Leave Act

If you've worked for the County for at least one year, you've worked at least 1,250 hours in the 12 months preceding your leave, and the reason for the leave is one of those listed below, you may be eligible for up to 12 weeks of benefits under the Federal Family and Medical Leave Act (FMLA). During a FMLA leave, the County will continue to pay its share of health insurance premiums.

To be eligible for an FMLA leave, the leave must be due to:

- The birth or adoption of a child,
- The serious health condition of your spouse/DP, child, or parent, or
- A serious health condition that makes you unable to perform the functions of your job.

You still pay your share of health insurance premiums, if any, for each pay period you are off payroll. Contact the Human Resources Specialist in your agency for specific requirements and more information.

The Last Step on Your Pathways to Benefits

After you enroll, you'll receive a Benefits Confirmation Statement in the mail. You can also print out a statement if you enroll online. Review the statement to make sure it correctly reflects your benefit elections. If any of the information on your statement is incomplete or incorrect, call the Benefits Resource Line right away to speak with a Benefits Specialist. You have 10 business days from the date of your Benefits Confirmation Statement to report errors in elections you've made. After the enrollment period, if you don't receive a Benefits Confirmation Statement shortly after making your elections, call the Benefits Resource Line right away to notify a Benefits Specialist.

Making Changes to Your Benefits

You may change your benefits between Open Enrollment periods if you experience certain Qualified Life Events. Listed below are some of the situations in which a change is permitted:

- You marry, divorce, or become legally separated or your marriage is annulled
- You **file a declaration of domestic partnership**
- You gain a dependent through birth, adoption, placement for adoption, or domestic partnership (DP)
- Your dependent or domestic partner dies
- Your dependent no longer meets the eligibility requirements
- You, your spouse/DP, or your domestic partner has a change in employment status that results in gaining or losing eligibility for coverage
- You, your dependent, or your domestic partner moves to a location where your current coverage is not available.

Any change in your coverage must be made within 30 days of the Qualified Life Event and must be consistent with that event. If your Qualified Life Event allows you to add or drop dependents, log onto the Benefits Center Web Site or call the Benefits Resource Line and speak to a Benefits Specialist to make any necessary changes. You may be asked to submit documentation (e.g., birth certificate) to support your elections for eligible-dependent coverage. Failure to submit documentation may result in your dependent not being covered, with no benefits payable. Keep in mind that HMO contracts do not allow you to add newly eligible dependents after the 30-day period. Dependents added to a PPO plan outside Open Enrollment are subject to the plan's pre-existing condition exclusion provision.

If you have a Qualified Life Event after the end of Open Enrollment but before the start of the new year and want to make changes to your benefits, you must call the Benefits Resource Line within 30 days of your Qualified Life Event. You may need to confirm or make elections to ensure benefit coverage during the current and upcoming plan years. If you have any questions, please call the Benefits Resource Line and speak with a Benefits Specialist.

► Pathways to Enrollment: Enrolling Step-by-Step

You Can Click or Call to Enroll

Enrollment is a paperless process. You can enroll through the County of Orange Benefits Center in two ways:

- On the Web — You can enroll online on the Benefits Center Web Site any time during the enrollment period.
- By phone — You can call the toll-free Benefits Resource Line and speak to a Benefits Specialist. Benefits Specialists are available Monday through Friday, from 7:30 a.m. to 5:30 p.m. Pacific Time, except for holidays.

When to Click or Call

The Benefits Center makes it easy to enroll and get information about your benefits. You can enroll or find information about your benefits on the Benefits Center Web Site or through the Benefits Resource Line. If you need help finding information, you may speak to a Benefits Specialist.

Here's a summary of the types of information available and the kinds of changes you can make, either online or by phone.

	Log on to the Benefits Center Web Site to...	Call the Toll-Free Benefits Resource Line to...	Speak to a Benefits Specialist to...

Request forms	✓	✓	✓
Find answers to your questions about benefits	✓		✓

Online enrollment and related Web tools are available to most employees and retirees eligible for County health plan coverage. Some situations, such as employees married to employees and retirees with Medicare, require enrollment by calling the Benefits Resource Line.

What to Have with You When You Enroll

When you enroll, you should have the following handy:

- Your Social Security number
- Your Benefits Enrollment Summary
- Your Personal Identification Number (PIN).

If you're electing a health plan that requires you to select a Primary Care Physician (PCP) when you enroll, you can find a list of PCP identification numbers on the Benefits Center Web Site by clicking on the links to provider sites.

Benefits Enrollment Summary

Your personalized Benefits Enrollment Summary is a valuable tool to help you make your choices. You'll find your Benefits Enrollment Summary in your enrollment package. This summary shows:

- Your automatic benefit coverage
- The benefits you're eligible to enroll in
- Your cost for each benefit.

You will be enrolled in the automatic benefit coverage shown in your Benefits Enrollment Summary if you do not make any elections/changes before the deadline.

You can also access your Benefits Enrollment Summary on the Benefits Center Web Site.

If you can't find your PIN, either use the Benefits Center Web Site's "Forgot Your PIN?" feature (requires pre-registration) or call the Benefits Resource Line and press **0, and speak with a Benefits Specialist.

► How to Change Your PIN

When you log on to the Benefits Center Web Site or call the Benefits Resource Line for the first time, you'll be prompted to change your PIN. You can also change your PIN any time you want. You have two ways to change your PIN:

- Online — Log on to the Benefits Center Web Site and follow the instructions to change your PIN.
- By phone — Call the Benefits Resource Line and follow the instructions to change your PIN.

Because your PIN provides access to your personal information, please keep it confidential at all times.

The first time you log in with your PIN, you should also register for the "Forgot Your PIN?" feature. This will help you recover your PIN if you forget it.

How to Read Your Benefits Enrollment Summary

Your personalized Benefits Enrollment Summary lists your name and address in the upper left corner. Below that, the summary shows your automatic benefits — the benefits you receive if you don't make any elections/changes. For each benefit, the summary also shows your coverage level and your before- and after-tax cost (if applicable).

The next section lists all the benefits for which you're eligible, including option numbers and cost by coverage level.

Carefully review the benefits for which you're eligible before you enroll. You can even highlight your benefit selections on your summary so that you can quickly and easily reference them as you enroll.

How to Enroll Through the Benefits Center Web Site

At the Benefits Center Web Site, you have information right at your fingertips. You can access the site from any computer with Internet access, at home or at work. To begin online enrollment:

1. Go to **www.benefitsweb.com/countyoforange.html**
2. When prompted, enter your Social Security number and Personal Identification Number (PIN).
3. The first time you log on to the Web Site, change your PIN (you'll automatically be prompted).
4. Follow the instructions for enrollment from there.

Steps to Enroll Online

From the enrollment section of the Benefits Center Web Site, you can do the following:

- Get an overview of the benefits available to you.
- Compare health plans and plan features that are important to you. You can also use the "Compare/Evaluate Health Plans" feature (available to most employees and retirees who are eligible for County health plan coverage) to help select a health plan based on the factors that are most important to you.
- Read PPO plan documents and HMO Group Service Agreements, which provide detailed information about your County of Orange benefit plans.
- Elect or make changes to your benefit elections and/or dependent information.
- Review your elections, including a list of all the benefits you are eligible for through the County of Orange. The benefits you see are the benefits you will receive in the upcoming calendar year unless you make changes during Open Enrollment.
- Use the "Model a Qualified Life Event" tool to help you plan for the future. Enter different scenarios and find out how each would affect you financially. For example, you can determine what your health plan cost would be if you added a dependent.

After you have made your benefit elections, you will see a Benefits Confirmation Statement. Your Confirmation Statement from the Web Site will have a number assigned to it. This will ensure you have properly saved your elections. Print a copy of this statement for your records. You'll also receive a Benefits Confirmation Statement in the mail shortly after making your elections.

Web Tools

Good looks and speed are just the beginning of the improvements to your County Benefits Center Web Site. Here are some of the great tools that you'll have at your fingertips, anytime night or day.

Select-a-Plan

This tool compares features and estimates your costs under the various County health plans available to you so you can make enrollment decisions that best fit your needs. With the Select-a-Plan tool, you can perform “Preference Modeling”. By answering questions about what you want in a health plan, the tool determines which of the available options is best suited for you. Compare plans side-by-side. Use this overview of the benefit features that are important to you to see how your health plan options stack up against one another. Estimate your costs. Use the “Cost Calculator” to estimate costs based on benefit features and your estimate of the medical services that you and your family will use.

Healthcare Advisor

You can use the Healthcare Advisor tool on the Benefits Center Web Site to research medical conditions or procedures. Use this tool when you become aware of a health issue to learn about treatment options, risks, the recovery process and to find suggestions for questions you should ask your provider or insurance company. The tool even lists those hospitals rated the best in treating a given condition.

The Healthcare Advisor also has a medical encyclopedia with additional information on various medical terms including diseases, symptoms, tests, surgical procedures, and more.

* Web Tools not available to EME/RME/RMR’s.

How to Use the Benefits Resource Line

With the Benefits Resource Line, you can:

- Enroll, change your dependents, or ask questions by speaking to a Benefits Specialist
- Review your elections, change your PIN, and request forms through the automated system.

To use the Benefits Resource Line:

1. Dial the toll-free phone number, **1-866-325-2345**.
2. Enter your Social Security number and PIN when prompted. If this is your first time calling the Benefits Resource Line, you’ll be prompted to change your PIN.
3. Listen to the list of available options and select the one you need.

Your Benefits Confirmation Statement

You’ll receive a Benefits Confirmation Statement in the mail shortly after you enroll (or at the end of Open Enrollment if you did not make any Open Enrollment elections). Review this statement carefully to make sure it’s accurate. If you find an error in the elections you made or if you make an election and don’t receive a statement within 10 business days, call the Benefits Resource Line right away and speak to a Benefits Specialist. You’ll have 10 business days from the date of your statement to report errors in elections you’ve made.

► How the Pathways to Benefits Program Works

The County provides benefits to help you take care of and protect yourself and your family. The benefits you're eligible to enroll in depend on your job classification. Many employees also receive supplemental benefits through their Employee Associations.

Who Is Eligible?

You're eligible for health care coverage if you're a:

- Full-time employee working 40 hours a week, or
- Part-time employee working at least 20 hours a week.

Your eligible dependents for health care coverage include your:

- Legal spouse or domestic partner
- Unmarried children under age 19 (or under age 23 if full-time student), including step children, foster children, children placed for adoption, legally adopted children, and children of domestic partners. Children who are full-time students must attend an accredited school, college, or university (12 units or more) and must be dependent on you for financial support to continue to be covered
- Unmarried incapacitated children of any age if they depend on you for financial support, are enrolled in your health plan when you retire, and were incapacitated prior to age 19.

Proof of adoption, domestic partnership, or legal guardianship may be requested at any time. Dependents over age 19 who are students may be required to provide proof of full-time student status to the County Benefits Center at any time. You must notify the Benefits Center within 30 days if your covered dependent no longer meets eligibility requirements.

Most employees may also participate in a reimbursement account to help pay expenses with before-tax dollars. Your personalized Benefits Enrollment Summary lists all the benefits for which you're eligible.

Domestic Partner Coverage

The County of Orange offers many of the benefits described in this guide to the domestic partners of eligible employees. Benefits available to a spouse and eligible dependent children are also available to a domestic partner and his or her eligible dependent children. Coverage may include health care (including prescription drug), dental, dependent life insurance, and voluntary AD&D coverage.

What Is a Domestic Partnership?

In California, a domestic partnership is established when two people file a "Declaration Of Domestic Partnership" with the Secretary of State and meet a number of legal requirements. The partners must, among other things, have a common residence, be at least 18 years of age, not be blood-related in a way that would prevent them from being married to each other in California, and be of the same sex (unless one of them is over age 62 and at least one of them is eligible for Social Security retirement benefits).

The County also recognizes domestic partnerships that are valid in other states, so long as they are substantially the same as California domestic partnerships.

Enrolling a Domestic Partner

If you want coverage for a domestic partner and his or her eligible children, you may elect it when you first enroll for benefits, during any Open Enrollment period, Qualified Life Event, or within 30 days of establishing your domestic partnership.

To enroll, you must call the Benefits Resource Line and affirm that you have a valid California “Declaration Of Domestic Partnership” or similar document from another state. You may be asked to provide a copy of the document to verify eligibility.

If you and your domestic partner are both benefit-eligible County employees or retirees, you must follow the same rules for dual coverage that apply to married couples working for or retired from the County. Also, the coverage and enrollment or disenrollment rules under the applicable EME, RME, or RMR Program pertain to you.

Effect on Taxes

If you are not allowed to claim your covered domestic partner and his or her children as dependents on your federal income tax return, you have to pay federal tax on both the County’s contributions and any before-tax contributions you make toward the cost of their health care coverage. The value of these contributions is reported to the IRS as “imputed income.” If you prefer, you may elect to make your own contributions on an after-tax basis. After-tax contributions are not taxable as imputed income. However, County contributions are still subject to treatment as imputed income.

County contributions toward domestic partner coverage are not taxable for California state income tax purposes. You will see imputed income for any before-tax contributions you make toward the cost of your domestic partner’s health care coverage. Tax laws for other states vary.

You should consult your tax advisor in connection with the tax effect of domestic partner benefits offered by the County. The County cannot provide you with any tax advice.

For More Information

If you need more information about domestic partner coverage, call the toll-free Benefits Resource Line at 1-866-325-2345 to speak to a Benefits Specialist. Benefits Specialists are available Monday through Friday, 7:30 a.m. to 5:30 p.m. Pacific Time, except holidays.

► **Employee Married to Employee (EME) Program**

The Employee Married to Employee (EME) Program can save you money if you and your legally married spouse/DP are enrolled in the same health plan. Under the program, both employees must work full-time, one spouse/DP enrolls as the subscriber, and the other spouse/DP and any eligible children enroll as dependents in the same health plan. If you're enrolled in the EME Program, the County pays 100% of your and your dependents' health care premiums.

► **EME Participants Must Enroll on the Benefits Resource Line**

If you're a County Employee Married to an Employee (EME), you must call the Benefits Resource Line and speak to a Benefits Specialist to enroll in a health plan.

If you're participating in the EME Program for the first time, you'll also need to fill out the EME enrollment form, available on the Benefits Center Web Site or through the Benefits Resource Line. You must call the Benefits Resource Line to make your election prior to sending in your EME enrollment form by the Enrollment deadline or, if you're a new employee, within the 30-day enrollment period.

► **If You Have a Qualified Life Event That Changes Your EME Status**

If you have a Qualified Life Event (e.g., divorce, change from full-time to part-time status) unpaid non-FMLA that changes your status as an EME, you must report your new status within 30 days of the event by calling the Benefits Resource Line and speaking to a Benefits Specialist.

Health Plan Options

To give you choice and flexibility, the County provides a variety of health plan options. You can elect coverage from a:

- Health Maintenance Organization (HMO) or
- Preferred Provider Organization (PPO)

Cost of Coverage

The County pays 95% of full-time employee-only health plan premiums and a large percentage of dependent health plan premiums. For part-time employees, the County pays a portion of employee-only health plan premiums and a portion of dependent health plan premiums.

The change in the rates for active AFSCME employees are separately pooled from the retiree rates effective January 1, 2007 as provided for in the current AFSCME MOU.

Information on the cost of the various health plan options is available in your Benefits Enrollment Summary and through the Benefits Center Web Site.

How the HMO Plans Work

HMO plans provide a comprehensive array of services, including preventive care, at a minimal cost, but you must use providers in the HMO network. An HMO network includes doctors, hospitals, and other health care providers and facilities that have contracted with the HMO to provide care at lower rates. HMOs do not generally pay benefits for care received outside the HMO network, except in emergency situations.

Important features of HMO plans include:

- Minimal copayments for most services (e.g., doctor's office visits)
- No claim forms
- Coverage for preventive services such as annual physicals, Well-Baby and Well-Woman care, and Immunizations
- No lifetime maximums
- No pre-existing condition exclusions

Your HMO Options

The County offers two HMO plans:

- CIGNA Health Plan HMO (CIGNA HealthCare of Southern California and San Diego)
- Kaiser Health Plan HMO

An overview of HMO plan benefits can be found in the Health Plans At-A-Glance chart at the end of this section.

CIGNA Health Plan HMO

A few highlights of the CIGNA Health Plan HMO:

- You select a Primary Care Physician (PCP) from the CIGNA network to coordinate all of your health care. With the exception of emergency treatment, Well Woman exams and mental health services, your PCP must authorize, provide and/or arrange all of your care in order for you to receive benefits.
- You contact your PCP's office when you need care. At the time of your appointment, you present your ID card and pay a small copayment.
- Schedule an appointment with an OB/GYN in the same medical group as your PCP without referral.
- When medication is prescribed, you must fill the prescription at a CIGNA-contracted retail pharmacy. You pay a small copayment for up to a 30-day supply of either a generic or a brand-name prescription drug. A list of CIGNA pharmacies is available on the CIGNA Web Site and through CIGNA Member Services.
- You may order up to a 90-day supply of maintenance drugs through CIGNA's mail order program. To place an order, use CIGNA's Web Tel-Drug Web Site or call the toll-free number 1-800-TEL-DRUG (1-800-835-3784).

- In an emergency, seek care at the nearest hospital. Call or have your doctor or family call your PCP or CIGNA Member Services within 48 hours to receive benefits.
- If you need vision care, call Vision Service Plan.
- Chiropractic care is covered. See details later in this section.

► How to Locate a CIGNA PCP

The provider directory for CIGNA contains a list of PCPs. It is available through the Benefits Center Web Site. A PCP listing is also available on the CIGNA Web Site, and you can get assistance locating a PCP through CIGNA Member Services. When you elect the CIGNA Health Plan HMO for the first time or add a dependent, you must select a PCP before you enroll.

Kaiser Health Plan HMO

Highlights of the Kaiser Health Plan HMO:

- Health services must be provided by Kaiser providers, but is not necessary to select a Primary Care Physician upon enrollment.
- When you need care, either contact your Kaiser primary care physician or the Kaiser appointment center in your area. At the time of your appointment, present your ID card and pay a small co-payment. You can access any Kaiser office for care.
- You can self-refer to a number of specialists, including OB/GYN, internal medicine, optometry, and mental health (varies by location).
- You have access to the Kaiser's Web Site (www.kp.org), which offers both health and member information. You can schedule appointments, get health education information, and receive other valuable services. Health information is also available through Kaiser's toll-free number, at 1-800-464-4000.
- You must fill prescriptions at any Kaiser pharmacy, located at each medical office. You pay a small co-payment for up to a 100-day supply of a prescription drug. Dental prescriptions are included in your coverage.
- In an emergency, seek care at the nearest hospital. Call or have your doctor or family call Kaiser as soon as possible to receive benefits. Your Kaiser coverage is worldwide.
- Kaiser covers chiropractic care.

► Chiropractic Care

With the CIGNA and Kaiser HMOs, you have direct access to the American Specialty Health Plans (ASHP) network of more than 2,400 chiropractors throughout California. If you wish to see an ASHP chiropractor, you just make an appointment and pay your copayment at the time of your visit. A directory of ASHP chiropractors is available on both the Benefits Center and ASHP Web Sites. You can also call ASHP Customer Service for help locating a chiropractor near you.

How the PPO Plans Work

Preferred provider organizations (PPOs) give you the freedom to choose any doctor, whether or not he or she is a member of the PPO network, but you receive a higher level of benefits from in-network providers. You do not need to select a PCP to coordinate your care and you can see a specialist any time you wish.

Important: The pre-existing condition clause applies for the PPO health plans if you enroll in a PPO plan outside the Open Enrollment period or if there is a lapse in County of Orange health coverage.

When You See an In-Network Provider, You...	When You See an Out-of-Network Provider, You...
Pay an annual deductible before the plan pays benefits	Pay an annual deductible before the plan pays benefits
Receive a higher level of benefits	Receive a lower level of benefits
Pay a percentage of a negotiated fee	Must pay a percentage of Usual, Reasonable and Customary (URC)* charges plus any amounts above URC charges
Have less paperwork (provider processes the paperwork and submits claims)	Pay up front, file a claim form, and wait for reimbursement (if any)

*Usual, Reasonable and Customary charges are the usual charges to provide a health service in your geographic area as determined by the plan. When providers join the PPO network, they agree to accept the negotiated fee as payment in full for covered services.

Your PPO Options

You have two PPO plans to choose from:

- Premier Wellwise PPO
- Premier Sharewell PPO.

A few highlights of the PPO plans:

- When you need care, you can go to a provider in (PPO) or outside (non-PPO) the UnitedHealthcare Choice Plus preferred provider network. Although the PPO plans have the same provider network, they have different deductibles and coinsurance amounts. See the Health Plans At-A-Glance comparison chart for details.
- When you see a PPO provider, present your ID card at the time of your appointment. Your provider files the paperwork for your claim and you receive a bill in the mail for your deductible and/or coinsurance amount — 10% of the discounted rate for most covered services.
- When you see a non-PPO provider, you generally pay 20% of the Usual, Reasonable and Customary charge for most covered services and, in some instances, you may have to pay up front.
- Both PPO plans pay 100% of eligible health care expenses that exceed \$10,000 per calendar year per participant.
- If you're scheduled for hospital admission or surgery, you must contact the claim administrator, UnitedHealthcare, to obtain precertification for the hospital stay before admittance to receive the higher level of benefits.
- In an emergency, seek care at the nearest hospital and call or have your doctor or family call UnitedHealthcare's Customer Service Center within 2 business days of admission to a hospital.

► UnitedHealthcare Choice Plus Network (PPO)

Each of the County PPO plans uses the UnitedHealthcare Choice Plus Network (PPO) as its preferred provider organization network. UnitedHealthcare Choice Plus includes more than 4,700 hospitals and 500,000 physicians across the country. You can use the provider directory on UnitedHealthcare’s Web Site to find out which hospitals and doctors are in the network, or you can call UnitedHealthcare’s Customer Service Center for assistance.

Prescription Drug Benefits — Premier Wellwise PPO

If you enroll in the Premier Wellwise PPO, Walgreens Health Initiatives, (WHI) will administer your prescription drug coverage. WHI offers discount prices on name brand and generic drugs with no annual deductible and no claim forms. WHI also has a large network of more than 54,000 pharmacies throughout the country, including most major pharmacies like Rite-Aid, Sav-on, CVS, and Costco and offers state-of-the-art mail order facilities.

You must fill your prescriptions through WHI’s participating retail pharmacies or through their mail service program. Please note: you do not need to go to a WHI’s pharmacy but you can use any participating pharmacy in the WHI’s pharmacy network. Prescriptions obtained as a result of an emergency must be filed with UnitedHealthcare, the PPO claims administrator. When you purchase prescription drugs from a Walgreens participating retail pharmacy, you will always present your health plan ID card to the pharmacist. Advantage90 Program is a convenient way to get a 90-day supply of your medications at select retail locations. (Your doctor must authorize a 90-day supply of medication(s). Some medications may not be available in 90-day supplies under applicable law.) This is a great way to save time and money and for more information please visit WHI’s web site at www.mywhi.com or call toll free **1-800-573-3583** with any questions you might have. For mail service prescription drugs, or if you have a new “maintenance” medication prescription, you may use WHI’s Mail Order program.

Here’s an overview of WHI’s prescription drug coverage:

Premier Wellwise Prescription Drug Benefits			
Type of Medication	30-Day Retail Coinsurance	90-Day (Advantage90) Retail Coinsurance	90-Day Mail Service Coinsurance
Generic drugs	20%	20%	20%
Brand name drugs	20%	20%	20%

You always save money by using generic drugs (if available) instead of name brand drugs. Although you pay the same coinsurance for generic and name brand drugs, you pay less for generic drugs because they cost less. Additional discounts may be available for maintenance drugs through WHI’s Mail Order Program and with mail service you enjoy the additional convenience of being able to order refills online.

Prescription Drug Benefits — Premier Sharewell PPO

If you enroll in the Premier Sharewell PPO plan, UnitedHealthcare administers your prescription drug coverage and you can fill your prescriptions at any retail pharmacy. You pay the cost of the prescription upfront, then send a claim form with attached receipts to UnitedHealthcare and wait for reimbursement. You must satisfy the annual deductible before the plan pays 80% of the cost of covered prescription drugs.

Things to Consider If Selecting a PPO Plan

Although the County's PPO plans are very similar, there are some differences in benefits, such as different deductibles, coinsurance, and prescription drug coverage. Here are two examples:

- The Premier Wellwise PPO offers wellness incentives — up to a \$200, \$400, or \$500 taxable incentive, depending on the level of coverage you elect — if you or your enrolled dependents don't file any claims or fill prescriptions using your PPO ID card during the year, as well as a \$50 year-end taxable cash incentive for non-smoking subscribers.
- The Premier Sharewell PPO has a \$5,000 annual deductible per family and is designed for employees who have other health insurance coverage but want to supplement their family's coverage.

Because of these differences, it's important to review the Health Plans At-A-Glance comparison chart if you're thinking about electing a PPO plan.

► Health Plan Decision Guidelines

Here are some things to think about as you decide which health plan is right for you:

- Are the doctors and specialists your family prefers in the network? If they're not, are you willing to change doctors?
- Are network facilities close to your home?
- How much do you and your family typically spend on health care each year? How much are you willing to pay out-of-pocket in health care expenses? Remember that the PPO plan pays a higher percentage of expenses when you use network providers. HMOs require flat copayments for most services, with no deductible, but you must use HMO providers.
- What do you value more — having the lowest possible out-of-pocket costs (HMO options) or the flexibility to see any provider (PPO options)?
- Are you or your children eligible for coverage under your spouse's employer's plan? If yes, you may want to enroll in the Premier Sharewell plan.

Health Plan Identification Cards and Claim Forms

All participants enrolled in the Premier Wellwise and Premier Sharewell PPO plans will receive a new identification (ID) card for the new plan year. If you need a replacement card or the information on the card you receive is incorrect, contact your health plan’s Member Services directly.

If you are switching health plans during Open Enrollment, you will receive a new ID card.

If you are a new employee, you will receive an ID card for the health plan you selected.

If you’re required to submit a claim to receive plan benefits, claim forms are available directly from the Benefits Center Web Site or by calling the Benefits Resource Line.

If You Have a Qualified Life Event (QLE) Outside Your Enrollment Period

If you have a Qualified Life Event after your enrollment period ends and you want to make changes to your benefits, you must call the Benefits Resource Line within 30 days of your Qualified Life Event. If you have any questions, call the Benefits Resource Line and speak with a Benefits Specialist.

***PPO Plans:** Designed to provide freedom to select physicians, specialists, hospitals and other service providers of your personal choice. The PPO plans pay 100% of eligible health care expenses that are in excess of \$10,000 per individual per calendar year.

PPO Provider: County PPO Plans use UnitedHealthcare Choice Plus (PPO) as its Preferred Provider Organization Network. The network consists of individual physicians, laboratories and Provider Organization Network. The network consists of individual physicians, laboratories and hospitals. As part of this network these “preferred providers” have agreed to provide services at rates which are lower than their regular charges. This helps reduce the cost of health care for you, your dependent(s) and the County. You and your dependent(s) pay a lower copayment percentage for PPO network providers. Using a PPO network provider is voluntary. You or your dependent(s) decide whether to use a PPO network provider for health care.

Non-PPO Provider: when you or your dependent choose a health care provider who does not participate in the UnitedHealthcare Choice Plus (PPO) Provider Network, you or your dependent pays a higher coinsurance percentage for non-PPO network providers.

****HMO Plans:** Designed to provide quality comprehensive medical services, routine and preventive care while controlling costs by using either its own doctors or health care centers or by providing services through contractual arrangements with community health care providers.

► Dependent Care Reimbursement Accounts

A Dependent Care Reimbursement Account (DCRA) allows you to set aside before-tax dollars from each paycheck to help pay eligible dependent care expenses for you and your family.

How the DCRA Works

- When you enroll in a DCRA, you elect how much money you want to put into the account from each paycheck over the course of the year. Your before-tax contributions are automatically deducted each pay period. As a result, you reduce your net income and pay less in income tax.
- When you have an eligible expense, you pay the expense and then submit a claim form to FlexServ, the County's DCRA administrator. The administrator uses the funds in your account to reimburse you for your expense.
- You may file claims for reimbursement account expenses incurred at any time during the calendar year, and claims must be filed before March 31 of the following year.
- Expenses are reimbursed only if there are sufficient funds in your account. If your claim is for more than you have in your account, you'll be reimbursed for the amount in your account and may resubmit the unreimbursed expense later.

Eligibility and Limits

You can use a DCRA to set aside tax-free money to pay eligible dependent care expenses, such as day care for your child or care for an elderly family member.

You're eligible to participate in a DCRA if you pay an eligible day care provider to take care of your dependent so you can work. If you're married, your spouse/DP must also be working, looking for work, a full-time student, or physically or mentally disabled.

Each year, you may contribute up to \$5,000 to your DCRA. If you're married, the amount you may put in your account is limited by a number of IRS rules:

- If your spouse/DP also participates in an employer-sponsored DCRA, the total amount you and your spouse/DP may set aside in your two DCRA's can't be more than \$5,000.
- If you and your spouse/DP file separate tax returns, the most you may set aside every year is \$2,500 each.
- The total amount you and your spouse/DP set aside can't be more than either your annual income or your spouse's/DP's annual income. If your spouse/DP is incapable of self-care or is a full-time student for at least five months during the year, the IRS assumes that your spouse's/DP's monthly income is no less than \$250 if you have one eligible dependent and \$500 if you have two or more eligible dependents.

Eligible Dependents

You can use your DCRA to pay for day care for:

- Your dependent children under age 13

- Your spouse, DP, parent, or other dependent age 13 or older who is incapable of self-care. If care is provided outside the home, the dependent must spend at least eight hours each day in your home.

Eligible Expenses

Eligible dependent care expenses include:

- The cost of care at a qualified day care center that complies with local laws, gives care for more than six people, and receives payment for its services
- Nursery school expenses
- Payment to a private school or other provider for before- or after-school care
- The cost of care at a day camp, or the portion of overnight-camp expenses that is for day care
- Amounts paid to providers who care for your dependent while you work if they are not your spouse/DP, your child under 19, or someone else you claim as a dependent
- Social Security and unemployment taxes you pay an eligible provider.

For a list of eligible and ineligible expenses, contact your tax advisor, call the IRS at 1-800-829-3676, or visit the IRS Web Site at www.irs.gov.

Important IRS Information

The “Use It or Lose It” Rule

Due to the special tax advantages of reimbursement accounts, the IRS requires that you forfeit any money left in an account after the claims-filing deadline. So be sure to estimate your reimbursement account expenses carefully before you decide how much you want to contribute for the year.

DCRA vs. the Dependent Care Tax Credit

A DCRA allows you save on dependent care expenses by paying them with before-tax dollars. Another way to save on dependent care expenses is to take advantage of the dependent care tax credit on your federal income tax return. The amount of the federal tax credit depends on your income and the number of children you have. Keep in mind that you can’t use both a DCRA and the dependent care tax credit, so you may want to consult a tax advisor to determine which one gives you greater tax savings.

How to File DCRA Reimbursement Claims

You can obtain reimbursement claim forms:

- From the Benefits Center Web Site; you can print a claim form or request that one be mailed to you
- By calling the Benefits Resource Line at 1-866-325-2345 and requesting a claim form.

You must complete and sign your claim form, attach receipts and proof of payment, and mail the form to FlexServ at the address on the form.

Based on your total estimated expenses, choose the amount (up to \$5,000 a year) you want deducted from your paycheck and deposited in your DCRA.

► Employee Assistance Program

The Employee Assistance Program (EAP) is a confidential counseling and referral phone service that addresses personal problems you or your family members may have. EAP counselors can help you identify and discuss personal problems and develop a plan of action to resolve them. The EAP's role is to provide an initial assessment, referrals, and short-term therapy. For longer-term care, the EAP can direct you to an appropriate provider. To contact the EAP, call 1-800-221-0945.

► Before-Tax Deductions

The following deductions are taken before-tax, which means you pay less in income taxes and have more take-home pay:

- Employee health care premiums
- Dependent health care premiums
- Part-time health care premiums

If you do not want the tax advantage of before-tax deductions, call the Benefits Resource Line to elect after-tax deductions.

► Important Legal Information

Continuing Your Coverage Under COBRA

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives you the right to choose continuation of health care coverage if you and/or your eligible dependents lose County coverage. You may continue health care coverage for up to 18, 29, or 36 months, depending on the situation and who is being covered. Within a couple of weeks of the loss of coverage, you will receive a separate COBRA notification explaining these rights.

If you think your or your dependents' health care coverage will end because an event occurred causing ineligibility under the plan, there are certain things you must do to continue coverage under COBRA. In some cases, you must notify the County of the event. If COBRA is an option for you, you must make an election and pay for coverage within certain time periods.

If you retire or die, the County will notify you and your dependents of your right to continue health care coverage under COBRA. This notification will explain in detail how COBRA works.

If you divorce or legally separate or your child loses dependent status under a group health plan, you or your covered dependents are responsible for notifying the County within 60 days from the date of these events. The County will then notify your dependents of their right to continue health care coverage under COBRA. This notification will explain in detail how COBRA works. COBRA rights will be forfeited if the County is not notified within 60 days of the qualifying event.

If your domestic partnership ends, your domestic partner and his or her children are not eligible for COBRA. However, a qualified beneficiary receiving COBRA coverage under the County plans may elect COBRA coverage for a domestic partner and his or her children.

For more information, call COBRA Continuation Services at the number listed under Helpful Information at the end of this guide.

Health Insurance Portability and Accountability Act (HIPAA)

The Federal Health Insurance Portability and Accountability Act (HIPAA) imposes certain requirements on group health plans. Under HIPAA, a group health plan:

- Is limited in imposing pre-existing-condition exclusions
- Must offer employee and dependents the opportunity to enroll outside Open Enrollment in certain situations
- Can't discriminate on the basis of health status with respect to eligibility for plan participation and premium costs
- Can't impose discriminatory lifetime or annual benefit limits on participants with mental illness
- Must permit hospital admissions (if otherwise covered by the plan) of at least 48 hours in case of normal deliveries and 96 hours in the case of Cesarean sections.

Under HIPAA, the sponsor of a self-funded non-federal-governmental plan, such as the County's PPO plans, has the option to exempt the PPO plans from any or all of these requirements except for the certification requirement (see below). The County opted to exempt the PPO plans from HIPAA requirements. Our plans already provide for hospital admissions of at least 48 hours in the case of normal deliveries and 96 hours in the case of Cesarean sections and will not be changed as a result of the exemption. A summary of current health plan benefits, copayments, and deductibles is included in this guide and is not affected by this exemption option.

The County's HMO plans comply with HIPAA.

Certification of County Group Health Plan Coverage

HIPAA also requires the County to provide certification of coverage for plan participants whenever County health insurance coverage is terminated. This certification will show the period the subscriber and dependents were covered under the County health plan. If, after the County coverage terminates, a former health plan participant enrolls in another group health plan that excludes coverage for pre-existing medical conditions, the former plan participant may be required to provide the HIPAA certification.

The HIPAA certification will be mailed by the Benefits Center to the last known address each time coverage under one of the County's health plans terminates. More information will be provided on the HIPAA certification at that time. Employees currently enrolled in a County health plan will not receive certification until coverage in one of the County health plans terminates.

Women's Health and Cancer Rights Act of 1998

Under the Women's Health and Cancer Rights Act of 1998, you and your dependents' health plan will not restrict benefits if you or your dependent:

- Receives benefits for a mastectomy
- Elects breast reconstruction in connection with a mastectomy.

Benefits will not be restricted provided that the breast reconstruction is in consultation with your or your dependent's physician and may include:

- Reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and treatment of physical complications in all stages of the mastectomy, including lymphedemas.

Benefits for breast reconstruction may be subject to appropriate annual deductibles and coinsurance provisions that are consistent with those established for other benefits under the plan.

► Supplemental Benefits

457 Defined Contribution Program

The 457 Defined Contribution Program is a voluntary retirement program that allows you to defer some of your salary through before-tax payroll deductions. You can defer up to the annual IRS limit or 100% of your taxable compensation, whichever is less. Deferred funds become available when you no longer work for the County and you do not pay taxes on the money or the interest it earns until that time.

You can enroll in the program at any time by calling the plan administrator, Great West Retirement Services, at 1-866-457-2254 and pressing "2." For more information, see the "Pathways to Your Financial Future" Planning Guide.

Retirement Benefits

The Orange County Employees Retirement System (OCERS) provides retirement benefits for employees of the County who belong to OCERS. While you're a member, both you and the County make contributions to OCERS. When you retire, you receive a monthly allowance that is based on your tier (determined by your date of membership in OCERS), your age at retirement, your average monthly earnings, and your years of service. For more information about OCERS, call 1-888-570-6277 or visit www.ocers.org.
